June - 2024

There is sunshine at some places. Somewhere it drizzles. Thunderstorm and hailstorms spread chaos somewhere else. But the earth keeps on rotating and revolving as if nothing happens. This is the lesson we need to endure in our life from the nature of the earth; continue to focus on fulfilling our responsibility without being disturbed by the so called surrounding.

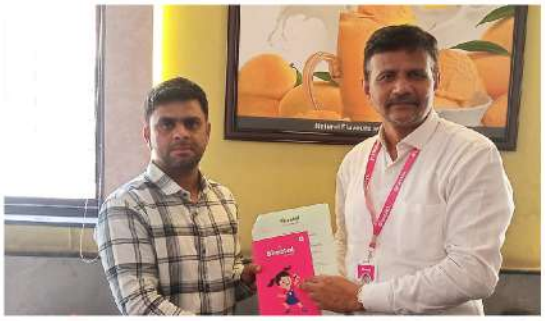

Warm Wishes From Sheetal!

DJBS: The Spark Of Caring Humanity

Showering care and love to the outside world is the visible sign of care and love established within our own family. DJBS lights up this spark of the family care and love with the needy around every month. Cow feeding, hunger relief project, fund for the army, regular medical assistance, provision of oxygen cylinders, dead body carrier, dead body cold chamber and ambulance, etc. are the social welfare activities of Sheetal that take place every month.

Let's keep moving towards our Vision 2030 with a calm and determined spirit without being affected by the surrounding.
